

ST. PANCRATIUS
PARISH SCHOOL

AFTER-SCHOOL CODING PROGRAM AT ST. PANCRATIUS SCHOOL

**Learn to code.
Change the World.**

Learning to code while they are young will help set them up for a successful career path.

Session 2: 1/16-2/20

Start time: 3:00pm

End time: 4:00pm

Topic: Roblox Wars using Scratch

Cost: \$265/6-week session

INSPIRE CREATIVITY

By trying to find a solution to a problem, kids are encouraged to think differently or "outside the box" to find a solution.

STRENGTHENS ACADEMICS

Kids are able to better develop their mathematical, scientific, and writing skills.

BUILDS CONFIDENCE

By coming up with their own solution to a tough problem, kids are able to feel more confident in themselves.
